

**Extension Activities for January 2007 to September 2009 (Thematic PR Draft)**

**Meetings organized for clientele**

<u>Date</u>	<u>Meeting name</u>	<u>Koike role</u>	<u>Location</u>	<u>Attendance</u>
01/11/07	Spinach research committee update	organizer, moderator, present d. mildew info.	Salinas	27
11/13/07	2007 Plant disease seminar	organizer, promoter, host	Salinas	112
11/11/08	2008 Plant disease seminar	organizer, promoter, host	Salinas	137

**Educational presentations to clientele (organized by research/extension theme category)**

<u>Date</u>	<u>Meeting name</u>	<u>Koike presentation</u>	<u>Location</u>	<u>Attendance</u>
<b>1. Research/extension theme: Managing plant diseases and enhancing agricultural productivity</b>				
02/16/07	Brussels sprouts production meeting	Diseases of Brussels sprouts	Santa Cruz	25
02/27/07	Onion pest management update	Iris yellow spot virus	King City	47
03/20/07	Warm season crop mgmt. seminar	Virus issues for pepper and lettuce	San Martin	30
06/21/07	Monterey Bay CAPCA board of directors	INSV virus problem on lettuce	Gonzales	14
08/16/07	Monterey Bay CAPCA board of directors	UCCE update, pest mgmt. updates	Salinas	12
11/13/07	2007 Plant disease seminar	Cool season vegetable concerns	Salinas	112
12/07/07	Dune update meeting	Vegetable dis. issues and research	San Diego	40
02/21/08	Monterey Bay CAPCA board of directors	Outbreak of new celery virus	Salinas	10
03/11/08	Leafy Greens board year end research mtg.	INSV virus etiology and surveys	Coalinga	70
03/26/08	Annual vegetable production meeting	2. Diseases of cool season vegetables	Camarillo	51
05/07/08	2008 Desert Ag. conference	Issues for vegetables in coastal CA	Casa Grande, AZ	125
08/22/08	Spinach disease seminar	Downy mildew and Verticillium	San Juan Bautista	45
09/17/08	Celery board research meeting	New virus of celery in California	Guadalupe	23

10/08/08	Pop Friend Seeds spinach update	Latest in downy mildew developments	Gonzales	43
10/09/08	Enza Zaden Seeds field day	Coastal disease development	San Juan Bautista	67
10/14/08	Leafy Greens board mid-year research mtg.	INSV disease development	Seaside	120
10/20/08	3 <sup>4</sup> th annual statewide CAPCA Conference	Pl. diseases on central coast	Anaheim	150
10/28/08	Salinas Valley weed school 2008	Role of weeds and alternate hosts in disease	Salinas	70
11/11/08	2008 Plant disease seminar	Summary of coastal challenges	Salinas	137
01/07/09	Dole Grower Meeting	Verticillium and emerging virus concerns	Monterey	30
01/09/09	Gowan/Dune Annual Meeting	Selected disease developments in 2008	San Diego	28
03/11/09	Veg. & Brussels sprouts grower mtg.	Rust diseases on central coast, crucifer dis.	Watsonville	28
03/17/09	Leafy Greens board year end research mtg.	Lettuce viruses; Verticillium seed testing	Coalinga	90
05/28/09	ALBA/RDC workshop on IPM	Crop rotation for disease management	Salinas	20
06/10/09	Ventura CAPCA summer seminar	1. New virus outbreak on celery 2. Tosporviruses of vegetable crops	Santa Paula	90
06/12/09	Tanimura & Antle grower meeting	Review of lettuce downy mildew	Salinas	45

## 2. Research/extension theme: Diseases and microbial soil ecology in strawberry

02/05/08	2008 Central coast straw. meeting	Macrophomina and minor pathogens	Watsonville	165
04/09/08	Taller de fresa en Español	Enfermedades en fresa: Macrophomina <sup>1</sup>	Santa Maria	32
04/15/08	ALBA strawberry production workshop	Soilborne diseases of strawberry <sup>2</sup>	Soledad	18
04/16/08	Organic strawberry production	Managing strawberry diseases	Guadalupe	45
04/22/09	Strawberry production field day	Biology and effect of two new pathogens	Ventura	78
06/19/09	Monterey Bay Academy Straw. field day	Fumigation changes and new diseases	Watsonville	50
07/28/09	Organic strawberry production	Organic disease management	Watsonville	42

### 3. Research/extension theme: Field biology and ecology of foodborne pathogens

03/13/07	Concerned growers information meeting	Issues and research needs for E. coli	Salinas	35
05/07/08	2008 Desert Ag. conference	Food safety and leafy green vegetables	Casa Grande, AZ	125
05/29/07	Central coast winegrape seminar	Food safety issues in agriculture	Salinas	28
10/09/07	Lettuce board mid-year research meeting	E. coli field research results	Seaside	85
11/27/07	18th Annual desert veg. crops workshop	E. coli issues and research	Holtville	99
02/19/08	Irrigation & nutrient mgmt. meeting	Irrigation systems and E. coli	Salinas	65
03/11/08	Leafy Greens board year end research mtg.	E. coli project update	Coalinga	70
03/26/08	Annual vegetable production meeting	1. Vegetable crops and food safety issues	Camarillo	51
04/17/08	Hartnell College food safety and GAPs	1. Survival of E. coli under field conditions 2. Supervivencia de E. coli en el campo <sup>2</sup>	Salinas	84
10/14/08	Leafy Greens board mid-year research mtg.	Update on E. coli research trials	Seaside	22
10/20/08	34 <sup>th</sup> annual statewide CAPCA Conference	Ecology/survival of E. coli in Salinas Vly.	Anaheim	120
11/11/08	2008 Plant disease seminar	Testing produce for foodborne pathogens	Salinas	150
01/09/09	Gowan/Dune Annual Meeting	Pesticides and E. coli contamination	San Diego	137
03/18/09	Water Quality & Range, Pasture, Livestock	What about plants: update on research	Salinas	28
05/29/09	Hartnell: Food safety for harvest operations	Field sanitation and microbiology	Salinas	15
		Saneamiento en el campo/practica preventiva <sup>2</sup>	Salinas	43
08/12/09	Water quality management workshop	E. coli, wildlife, and leafy greens	Las Lomas	12
			Las Lomas	15

#### Other

<u>Date</u>	<u>Interview</u>	<u>Koike interview topic</u>
02/01/07	EnvironMinute feature, FLP Radio	Salad vegetables and food safety

<sup>1</sup> I presented this talk in Spanish.
