Conference Program & Workshops

The **California Camping Conference** inspires ideas and innovation and helps camp administrators create fun, safe, and rich learning experiences for campers and camp staff alike. Sponsored by the University of California 4-H Youth Development Program, the weekend offers volunteers, staff and youth opportunities to develop their own capacity as leaders in their local programs. This year's conference emphasizes **camp staff development**. Participating camps will receive a copy of the new 4-H Camp Staff Training manual.

Conference attendees will:

- ◆ Create powerful camp staff training experiences.
- ◆ Learn to manage behavior and create engaging programming.
- ◆ Develop networks for sharing program ideas, support and successes.
- ◆ Receive certifications in Archery, CPR, and Food Safety.
- ◆ Understand and embrace risk management planning.

Conference workshops include:

Training the Team: A full conference session on training techniques and content to prepare you to prepare your staff. Appropriate for all camp leaders—adults and youth.

Managing Behavior: Understanding and management of camper (& staff) behavior.

Camper Involvement and Building Progression: Developing depth, interest, and excitement in your program activities.

Risk Management and Safety: A toolkit for administrators.

New Ideas in Programming: From evening activities to teambuilding challenges.

Keeping Connected: Designing attractive, useful camp web pages.

Back by popular demand, **Connie Coutellier**, nationally known for her contributions to the field of camping and outdoor education, will help attendees create engaging training for their camp staff.

Connie served 10 years as Director of Training for the American Camp Association and is author of several books including *Day Camps from Day One: A Hands-On Guide for Day Camp Administrators* and *Camp is for the Camper: A Counselor's Guide to Youth Development*.

The **Jack L. Boyd Outdoor School at Green Meadows** is at the southern entrance to Yosemite National Park in the town of Fish Camp, Mariposa County. Visit <http://jlb.mercedlearn.org> for directions and info on facilities.
