

CLOVER SAFE #13

EMERGENCY PREPARATION AND RESPONSE GUIDELINE

Although University of California 4-H YDP activities are planned and conducted to eliminate risk of injury to participants, unforeseen accidents periodically occur whereby injuries are sustained. When an injury occurs, 4-H YDP volunteers and staff need to be prepared to provide an appropriate emergency response to the type and extent of a participant's injury. For additional information about how to prepare for and respond to an injury emergency, go

to the Clover Safe note at: <http://ucanr.org/cloversafe>.

Clover Safe Notes are prepared by the UC ANR Office of Environmental Health & Safety, in support of the Statewide 4-H Youth Development Program.
