Certified by the National Wildlife Habitat, this garden is a great example of providing the essentials: food, water, cover and a place to raise young. You are sure to see bees, butterflies, and birds and you may be lucky enough to spot several nests. To make your garden more wildlife friendly, check out www.nwf.org/backyard.

Colored dots on stakes show plants available for sale at the "California English Garden" 5531 Old Redwood Hwy, Santa Rosa.
