

Wording for South Coast web page:

2010 Research Project Call

The South Coast Research & Extension Center (SCREC) is soliciting proposals for Continuing research and demonstration projects for the period January 1, 2010 to December 31, 2010. South Coast Research and Extension Center is located on 200 acres and has land suitable for growing row, orchard, field crops, turfgrass, and landscape and nursery plants.

Before submitting Research Proposals, please contact Joanne Watkins at 949-653-1816 or jawatkins@ucdavis.edu.

INSTRUCTIONS FOR USE OF RESEARCH PROJECT FORMS

Complete the appropriate forms and send via email to Marie Hernandez-Vega, at mthernandezvega@ucdavis.edu by Friday October 9, 2009.

Projects requesting extension beyond three years require the following forms (three year review):

Three Year Review Form
